Shape the Future of Food Safety: Quick Survey

Join me in creating a tool that makes food transparency a reality. This short survey aims to gather insights for the Food Component Scanner app, designed to reveal the ingredients in processed and cooked foods for those with allergies, dietary restrictions, or health-conscious lifestyles. Your feedback will directly influence the app's development, empowering you and others in our community to make informed food choices.

1. What is your age group?

○ Under 18

○ 18-22

◉ over 22

2. Do you currently use any tools or apps to track your food consumption and allergies? *

◯ Yes

⦿ No

3. Which of the following food allergies do you or your family members have?

☐ Dairy

☐ Nuts

☐ Fish

☑ Other: None

4. What challenges do you currently face regarding food allergies and dietary restrictions? *

I've never had allergies. My concern regarding good would mostly be the sanitary condition(s) in which the food is / was cooked especially if I'm eating out

5. How do you think a food component scanner could improve your overall health and well-being?   *

For individuals with dietary restrictions, it would go a long was especially for those who cannot particularly decipher the components of what they're eating

6. Can you share any instances where you struggled to find information about food   *
ingredients?

I know my way around the kitchen and cook quite a lot, so I've never really experienced this predicament

7. Can you describe a situation where you experienced a food-related emergency? *

I've only experienced food poisoning once and I think it was due to the sanitary condition the meal was prepared in rather than the choice of ingredients

8. Which sources do you trust the most for food ingredients?

Online resources ▼

9. On a scale of 1-5, how concerned are you about the ingredients in the foods you consume?

	1	2	3	4	5	
Not concerned	○	○	○	○	◉	Very concerned

10. Please rank the following features in order of importance for a food scanning app. *

	Most Important	Important	Fairly Important
Allergy alerts	◉	○	○
Emergency assistance	◉	○	○
Dietary restriction	◉	○	○
Ingredient transparency	◉	○	○
